

Laurea in Informatica

Un framework multi-linguaggio per l'identificazione delle dipendenze del codice sorgente

Relatore: Prof.ssa Francesca Arcelli Fontana
Correlatore: Dr. Darius Sas

Candidato: Francesco Refolli
Matricola: 865955

Anno Accademico 2022/2023

Dependency Graph

Tree Sitter

```
class Main {  
  public static void main(String[] args) {  
    // comment  
  }  
}
```

```
(program  
  (class_declaration  
    name: (identifier)  
    body: (class_body  
      (method_declaration  
        (modifiers)  
        type: (void_type)  
        name: (identifier)  
        parameters: (formal_parameters  
          (formal_parameter  
            type: (array_type  
              element: (type_identifier)  
              dimensions: (dimensions))  
              name: (identifier)))  
          body: (block  
            (line_comment))))))
```

Stack Graph

```
class Main {  
    public static void main(String[] args) {  
        // comment  
    }  
}
```
